

Laser Therapy Technician

Location: Mountain Valley Orthopedics offices in East Stroudsburg and Milford, Pennsylvania

Position Type:

Full-Time

Overview:

Mountain Valley Orthopedics is seeking a motivated and detail-oriented **Laser Therapy Technician** to join our team. This role involves administering therapeutic laser treatments to patients under the direction of our providers to aid in the treatment of musculoskeletal injuries and chronic pain.

The ideal candidate will hold **one of the following certifications**:

- **Certified Athletic Trainer (ATC)**
- **Certified Medical Assistant (CMA)**
- **Physical Therapy Assistant (PTA)**

This is an excellent opportunity for a healthcare professional interested in non-invasive treatment modalities in a fast-paced orthopedic setting.

Key Responsibilities:

- Administer Class IV laser therapy treatments as prescribed by orthopedic providers.
 - Prepare and educate patients on the laser therapy process, expectations, and aftercare.
 - Accurately document all treatments and maintain thorough patient records.
 - Maintain and monitor laser equipment, ensuring it operates safely and efficiently.
 - Support the clinical team with additional tasks as needed, including patient intake and assessments.
 - Ensure compliance with all safety protocols, HIPAA regulations, and internal policies.
-

Qualifications:

Required:

- Active certification/licensure in one of the following:
 - **Certified Athletic Trainer (ATC)** – Board of Certification (BOC)
 - **Certified Medical Assistant (CMA)** – Certified through AAMA or AMT
 - **Physical Therapy Assistant (PTA)** – Licensed in the state of practice
- Current CPR/BLS certification
- Strong interpersonal and communication skills
- Comfortable working in a team-based clinical environment

Preferred:

- Prior experience administering laser therapy or other rehabilitation modalities
 - Experience working in an orthopedic or sports medicine setting
 - Familiarity with EMR systems and medical documentation
 - Bilingual skills a plus
-

Work Environment:

- Outpatient orthopedic clinic setting
 - Moderate physical activity including standing, walking, and lifting
 - May require flexible scheduling based on patient appointments
-

Benefits:

Full time only after 90 days:

- Health, dental, and vision insurance
- Paid time off and holidays
- 401(k) retirement plan
